

Mobile Mission & Muffins

Our Mobile Mission & Muffins program provides a hands-on service project at a location of your choosing, that allows your group to prepare diapers and period supplies for distribution through our 60+ community partner network in the St. Louis Metro Area.

HOW IT WORKS

- Your group makes a **tax-deductible donation** to the St. Louis Area Diaper Bank that best fits your group's needs
- You'll work with our dedicated community engagement staff member to schedule a diaper wrapping event at a location of your preference
- You provide the space, tables, and volunteers to assist with set-up and clean-up
- We provide the diapers, packing materials, and staff to provide training and guide your team through the entire event

BENEFITS OF VOLUNTEERING

- ✓ Provide a meaningful and tangible experience for your team from start to finish
- ✓ Build community within your own team while giving back to the community together
- ✓ Get group recognition in our newsletter and social media pages
- ✓ Make it BIG and invite the media to share how you're giving back!
