

Mobile Mission & Muffins

Our Mobile Mission & Muffins program provides a hands-on service project at a location of your choosing, that allows your group to prepare diapers and period supplies for distribution through our 74+ community partner network in the St. Louis Metro Area.

HOW IT WORKS

- Your group makes a **tax-deductible donation** to the St. Louis Area Diaper Bank that best fits your group's needs
- You'll work with our dedicated community engagement staff member to schedule a diaper wrapping event at a location of your preference
- You provide the space, tables, and volunteers to assist with set-up and clean-up
- We provide the diapers, packing materials, and staff to provide training and guide your team through the entire event
- Make it BIG! Provide a meaningful and tangible experience for your team from start to finish. The benefits of volunteering are endless!

TAX-DEDUCTIBLE DONATION

Your group or organization will make a cash donation, payable to **St. Louis Area Diaper Bank**, which covers the cost of diapers, admin fees, and supplies based on the estimated event details and is due in full at the event. For events larger than 10,000 diapers, a 50% partial donation is due 30 days prior with the final donation due at the event.

Ready to get hands-on with St. Louis Diaper Bank and do your part to help end diaper need in the St. Louis Metropolitan community! Email our Community Engagement Manager, Jerrica Franks at jfranks@stldiaperbank.org

MOBILE MISSION & MUFFINS PROGRAM
